Treadmill T615

SportsArt Foundation Series light commercial and residential cardio line continues to set industry standards in both unique design and biomechanic excellence. Our industrial-quality manufacturing provides dependability and functionality year after year.

- MyFlex Plus™ deck cushioning provides 30% more shock absorption and carries a lifetime warranty
- Large 20” x 58” belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static build-up
