**Treadmill T652M**

SportsArt treadmills offer a self-lubricating belt system, heavy duty frame with a sturdy running platform, an Energy Smart™ idle feature and a wide range of display and workout programs.

- ECO-DRIVE™ motor uses 32% less energy than traditional motors while still delivering 5.0 HP of performance
- Equipped with medical/rehab specific features such as a 3% decline to 15% incline range, reverse speed up to 3 MPH
- MyFlex Plus™ deck cushioning provides 30% more shock absorption and carries a lifetime warranty
- Meets UL requirements for current leakage in medical settings
- Large 22” x 61” belt provides ample running space and is constructed from carbon-weave, low friction material
