

# MB550 INDOOR CYCLE

The XTERRA MB500 Indoor Cycle combines the quality, performance, and great looks you desire in a design that is built as solid as they come. And it incorporates numerous thoughtful features that were developed with your performance and comfort in mind. From the heavy 48.5 lb precision balanced flywheel and smooth belt drive system to the electronic console and fully adjustable seat and handlebars, every aspect of the MB500 helps users keep moving and stay motivated. With the XTERRA status comes our seal of approval with an impressive lifetime frame and 1 year parts and labor warranty. Start on the road to fitness today with the new XTERRA MB500 Indoor Cycle and exceed your expectations.
