V SERIES PRESS ARMS

It's not often something so simple does so much. Especially with such an outstanding outcome. From legs to arms, chest to back, every inch is sure to see results with the help of the V Series Gym, V Press Arms and these optional fitness attachments that connect directly to the main unit and add to your ever evolving workout needs.

V1 PRESS ARM

HV-1-PA

Follows a predetermined exercise path and features a range of motion adjustment to quickly and easily set for different arm lengths and beginning stretch preferences

V4 PRESS ARM

HV-4-PA

FEATURES

The ultimate press arm combining the range of motion adjustment of the V1 with the user-defined exercise movement of the V3.

Includes attachable strap handles to further increase exercise options

* NOTE: Each Elite Home Gym comes with your choice of press arm. Prices will vary based on Press Arm model
